

Outlook for iOS

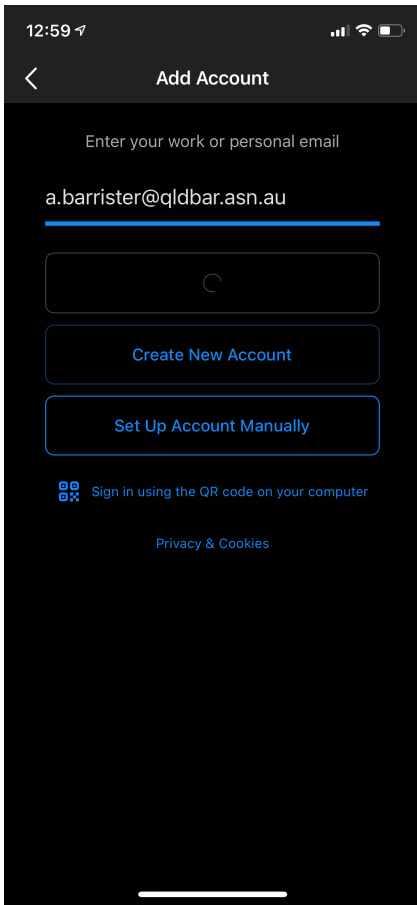

Then select **Delete From This Device**

2. After deleting the account you would be prompted to **Add Account/Skip**

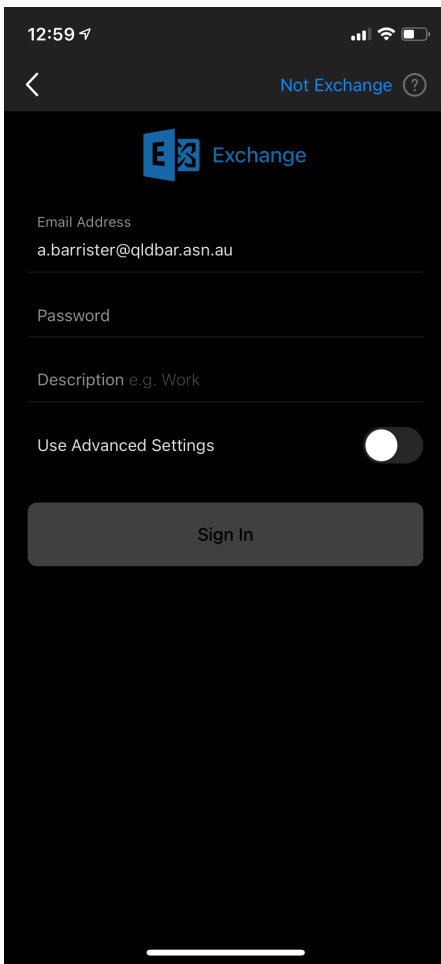

Please tap on **Skip**.

3. Enter your email address in the next screen and tap on **Add Account**

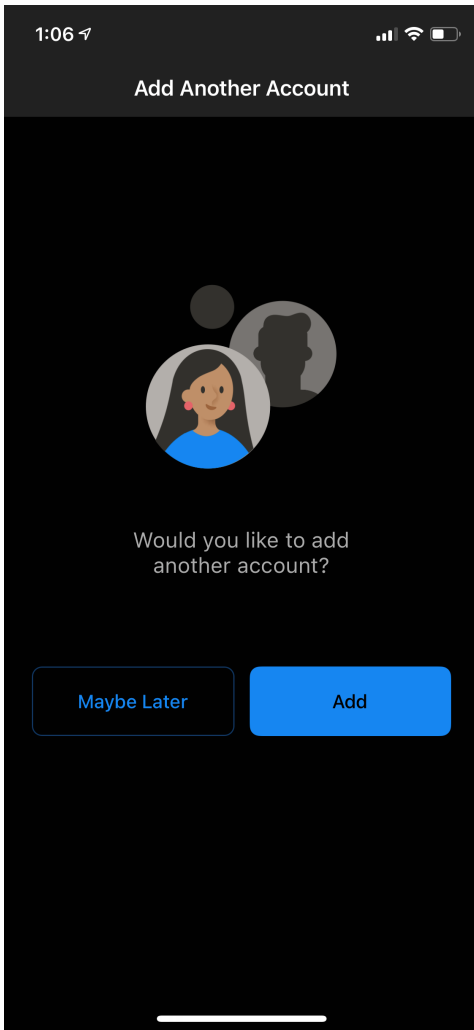

4. Enter your email address, password and description then tap **Sign In**:

The screenshot shows a mobile app interface for adding an Exchange account. At the top, the status bar displays the time 12:59 and signal/battery icons. Below the status bar is a navigation bar with a back arrow on the left and the text "Not Exchange" with a question mark icon on the right. The main content area has a dark background. It features the Exchange logo (a blue square with a white 'E' and a white 'X') followed by the word "Exchange" in white. Below the logo are three input fields: "Email Address" with the text "a.barrister@qldbar.asn.au", "Password", and "Description e.g. Work". Below these fields is a toggle switch for "Use Advanced Settings", which is currently turned off. At the bottom of the form is a large, rounded rectangular button labeled "Sign In".

- **Email Address:** Your email address
- **Password:** Your password
- **Description:** qldbar

5. After you added the account, the screen below will show.

Revision #6
